

Are you an aspie?

Most people with Asperger's will answer yes to all of these questions:

- I find social situations confusing.
- I find it hard to make small talk.
- I tend to turn any conversation back onto myself or my own interests.
- I excel at picking up details and facts.
- I find it hard to work out what other people are thinking and feeling.
- I can focus on certain things for very long periods.
- People often say I was rude, even when this was unintentional.
- I have very strong, narrow interests.
- I do things in a very inflexible, repetitive way.
- I have difficulty making friends.
